Reports:

President: Nothing to report

Vice President: Absent

Secretary: Absent

Treasurer: Currently we have \$2700 in the bank. The annual return has been filed, and was confirmed as received Nov. 13

Race Director: No changes to the race schedule

Indoor velodrome: Public hearing at the beginning of Feb

-concern raised with the Argyll community regarding traffic.

-facts are being misrepresented in the media

Membership/Volunteer: Won't have memberships ready to go until Jan as the ABA does not have confirmation that the insurance will be remaining the same. Volunteer schedule will be done at the same time.

New Business:

Clothing – 4 manufacturers were contacted for clothing, with an estimate of the cost for jerseys.

Giordana - no response

Craft – 78.00 jersey

Sportful – 109.95 jersey

Biemme - \$59.00

Biemme was great to deal with. We will be going ahead with ordering from Biemme. We will get a fit kit for the next meeting, and decide on the final design. Peter asked if we could get a price for a custom jersey with a style he proposed. We will bring both designs and prices forward to the Jan meeting and make the final decision then.

Old style clothing: we are going to discount this by 50% to get rid of it before the new jerseys come in.

Training camp south of the border: Shane asked if there would be any interest in running a training camp somewhere warm in March. This was tabled to January as there were not a lot of members in attendance.

Meeting adjourned 8:20 by Jim seconded by Matt
