

Thorsby Road Race Course

This is a combination road race and orienteering course. The orienteering comes in to allow our younger members the opportunity to enjoy a steep climb on an extra occasion.

Now here's the orienteering part.

D/E 53km: 1 lap of course

C 74km: 1 lap, U-turn at Start/Finish, back through Telfordville to RR23, U turn and back to the finish

A/B 90km: 1 lap, U-turn at Start/Finish, back to St. Francis, U-turn and back to Finish.
